**USU LAND ACKNOWLEDGEMENT**

California State University, Northridge (CSUN) and the University Student Union (USU) recognize and acknowledge the Fernandño Tata viam Band of Mission Indians, the First People of this ancestral and unceded land base of the village of Sesevenga that is occupied by our institution. We honor their Elders, past, present, and future. We recognize that the Fernandño Tata viam are still here, and are committed to uplifting their stories, culture, and community. Upholding CSUN's value to respect all people and by our alliances with local communities, we have a responsibility to acknowledge and make visible the University's relationship with the Tribe. By offering this Land Acknowledgement, we affirm their sovereignty and will work to hold the campus community accountable to the needs of American Indian peoples in the region.
