FACILITIES POLICY

SUBJECT: The Oasis Membership and Facility Access Policy

DEFINITIONS:

1. A Student Member is defined as a student who is enrolled at CSUN, is taking units and pays a fee for those units, or has qualified for a fee waiver.
2. A Tseng College Student is defined as any student who is part of Tseng College in the masters, credentials, open U, non-credit program, or Intensive English Program (IEP).

POLICY: The Oasis is a controlled access facility, available to all students.

Tseng College (Masters, Certificates, Open University, Intensive English Program (IEP), and non-credit students) may utilize the services of the Oasis by paying a fee.

Applicants must sign and accept a SRC guidelines form and waiver of liability/hold harmless agreement form to be biometrically enrolled using an authentication technique that analyzes the shape of the hand and the length of the fingers. Applicants will be required to register digitally by entering LDAP credentials.

All summer memberships at the SRC will include access to the Oasis. If a person who is eligible for a summer SRC membership wants to access the Oasis only, they may purchase a summer membership to the Oasis for a fee, and will only have access to that facility. Students who are enrolled in the summer term and who pay the USU fee through the Tseng College (Extended Learning) or California State University, Northridge, are eligible for membership at the Oasis.

Access to the Oasis facility is granted for all categories of membership under the following terms and conditions:

1. **Approved Access.** The Oasis is a controlled access facility and membership or special access is required to enter. Members will be verified by a biometric reader prior to entering the facility.
2. **Refusal Right.** The Oasis has the right to refuse membership to any member or individual who has violated any CSUN, USU or Oasis codes of conduct, policies, rules or regulations, or is not in good standing with the University for any reason.
3. **Illegal Access.** The following are prohibited:
 - a. Attempting to gain access into the Oasis with an ID or Oasis account other than your own.
 - b. Allowing another person to use your ID or Oasis account to gain access into the Oasis.

- c. Attempting to allow access to anyone through an emergency exit door.
- d. Exiting through emergency exit doors (except in a declared emergency).

Expulsion. The Oasis Staff have the authority to:

1. Request an individual to leave the facility and premises because of a violation of facility policies.
2. Cancel an event and request the individual or the individual's group to leave the facility and premises because of violation of facility policies
3. Repeated violation of the Oasis regulations may result in a loss of privileges and facility membership as recommended by the SRC Director or designee and approved by the Executive Director or designee.

Posted Regulations. Facility users must obey all posted regulations and comply with decisions made by the Oasis staff, including identifying oneself when requested.
